# OUR INTRODUCTIONS FOR 1941

**ELLA A. PARKS (FD)**—8x5. The coloring of this dahlia is most unusual. The face of the petals is salmon, shaded gold and overlaid violet rose. The reverse is violet rose showing at center of flower as petals roll. The general effect is old rose. The plants are very stocky and the stems are stiff, straight and of just the right length. Blooms are upright to half facing. This dahlia is very insect resistant. Height of bush about 4 ft.

**ROOTS—\$10.00**

**JEANIE**—Miniature ID. 3½-4x2. Lemon Yellow heavily outlined and shaded on ends of petals with begonia rose. This miniature is perfect for the garden, exhibition and for cutting. In fact, it is without a peer as a small cut flower. The bush is upright and branching, producing immense quantities of flowers. Believe it or not, we had one bush that produced over 250 flowers, opened and in good condition, at one time. Of course, this was an abnormal case. Stem and keeping qualities are all that can be desired. **AWARD OF HONOR 1940, GEORGIA TRIAL GROUNDS.**

**ROOTS—\$3.00**
